

Alois Flatz is a Partner of zouk ventures, an independent London-based private equity firm focused on investment in cleantech companies and infrastructure projects. He currently sits on the board of SiC Processing, a zouk portfolio company in the solar sector. Before joining zouk, Alois worked for 17 years in the field of private equity and sustainable investment: Partner at BTS Investment Advisors, an India-based private equity investor, Partner and Head of Research at SAM Sustainable Asset Management Group, co-founder of the Dow Jones Sustainability Indexes, and permanent advisor to the Austrian Ministry of Environment. Alois gained his PhD from University of St. Gallen, Switzerland, and is a published author and speaker on sustainable investment and climate change.
