

Fred Langeweg has been involved in environmental assessments for the last 25 years. He was the project leader of the first Dutch national environmental outlook 'Concerns for Tomorrow' (*Zorgen voor Morgen*, 1988). He assisted in founding the European Environment Agency (EEA) and has participated in many of its activities. He was co-founder of the Global Environment Outlook process, operated by UNEP, and participated in an advisory capacity in the development of the OECD Environmental Outlook. He is a member of the network of directors of Europe's National Environment Agencies.
