

## Curriculum Vitae

Koen Overtoom studied Economics at the University of Amsterdam.

He started his career in the port of Amsterdam as Logistical Manager for Unieveem BV, a warehousing company specialised in handling and warehousing of soft commodities.

After Unieveem, he became General Manager at Ter Haak Warehousing and Logistics, responsible for warehousing and logistic activities within the Ter Haak group.

The last seven years Koen is working for the Port of Amsterdam. First, he was Sales Director for the Port of Amsterdam in Germany before becoming responsible as Manager for the unit Containers, Breakbulk and Logistics. As of the first of July this year, Koen is Managing Director Commercial Division at the Port of Amsterdam.
