# Subsession Planet

- The biggest threshold for change is...
- The best idea to speed up change is...
- As a citizen we will..
- As consumer we will..
- In working life we will...

# Subsession People

- The biggest threshold for change is...
  - Little sense of urgency/ short-termism
- The best idea to speed up change is...
  - Start with education
  - Organisation through farmer-based orgs
- As a citizen we will..
  - Shout louder
- In working life we will...
  - Work together and join forces
