

Under the auspices of:

THE BRUSSELS-EU CHAPTER . CoR-EU
Honorary President HRH Prince Philip of Belgium

Aurelio Peccei Lectures

INVITATION

The Brussels-EU Chapter has the pleasure inviting you to its thirty-second Aurelio Peccei lecture, *Thursday June 1, 2006*, which will deal with:

The Future of Society
A new image of reality that will transform society

by

Marc van der Erve

An international author of several books on the essence of society and organization. A futurist and advisor on leadership and organization, Dr. Marc van der Erve introduces his two new books, “The Future of Society” and “True World,” the latter introducing the former. Both will be published in the early summer of 2006.

In this lecture, he will describe his dogged investigation into the nature of reality and explain how his insight into the domains of physics and sociology helped him unearth the time-inspired origin of our world. This finding will trigger a global transition towards a more truthful and down-to-earth interpretation of reality.

Date : **Thursday June 1, from 6:00 till 8:00 PM.**

The lecture will be followed by a refreshment. After the event all participants are invited to a dinner. Participation is at own costs.

Venue: Royal Academy of Belgium. Hertogstraat, 1, rue Ducale. B-1000 Brussels

For planning and logistical reasons, please send your **registration at the lecture as well as at the dinner** to Brussels_eu_cor@scarlet.be (with 2 underscores).
