11.30

SESSION 2

Health and Ageing / Salute e allungamento del ciclo di vita

The lengthening of life-cycle and living longer in better health mean increased costs for research and treatments in this area. They might double in terms of percentage of GNP in some countries within the next 20 or 30 years/ *L'allungamento della durata di vita in migliori condizioni di salute, implica un aumento dei costi, che in termini di PIL, potrebbero pesare il doppio fra 20 o 30 anni di quanto rappresentano oggi in termini percentuali.*

Chair: Patrick M. LIEDTKE, Secretary General & Managing Director,
The Geneva Association

Raimondo CAGIANO DE AZEVEDO, University of Rome *La Sapienza*
Matilde LEONARDI, Italian National Neurological Institute C. Besta, Milan

Denis KESSLER*, President & CEO, SCOR Group, Paris

Angelo CARENZI, President, CEFASS (European Centre for Health and Social
Affairs Education), Milan

Gordon WOLLGAM, TT30 The Club of Rome's Youth Organisation

14.30

SESSION 3

Work and Pension: the Strategy of the Four Pillars/ *Lavoro e Pensioni:*
la Strategia dei Quattro Pilastr

The management of the welfare system, related to retirement will require a clear understanding of a Four Pillars Strategy, extending working lives/ *Per quel che riguarda il welfare e in particolare il sistema di "pensionamento" sarà utile tener presente un sistema, già in parte in atto in alcuni paesi, fondato su quattro pilastri, con l'allungamento della vita attiva*

Chair: Fausto MARCHIONNI, CEO & Director General, FONDIARIA-SAI Group, Turin

Marcello MESSORI, President, ASSOGESTIONI & University of Rome Tor Vergata

Paolo SESTITO, Bank of Italy, Rome

Elsa FORNERO, Director, Centre for the Research on Pensions and Welfare Policies
(CeRP), & University of Turin

Eskil WADENSJÖ, Swedish Institute for Social Research, Stockholm University

Angelo SCARIONI, President Macros Research, Co-Editor The European Papers

16.00

SESSION 4

European Policies for the New Welfare: Public and Private Contribution/
Politiche Europee per il Nuovo Welfare: ruoli privati e pubblici

The welfare state systems of the various European Countries have huge differences. The basic social and economic problems are very similar all over Europe and they will lead to more and more convergent and generally "European solutions"/ *Il contesto Europeo per quanto riguarda la situazione del Welfare State nei paesi europei, è facile rilevare che ci sono grosse differenze e anche divergenze. Ma i problemi economici e sociali di fondo sono molto simili e si può prevedere che sarà utile e necessario sviluppare delle convergenze per arrivare a soluzioni "europee".*

Chair: Sarah HARPER, Director, The Oxford Institute of Ageing, University of Oxford

Ruth PASERMAN, European Commission, DG EMPL and Social Affairs, Brussels

Jorma KARPINEN, Director, EUROFOUND (European Foundation for the
Improvement of Living and Working Conditions), Dublin
